

# FIREWORK (by Katy Perry)

<https://www.youtube.com/watch?v=QGJuMBdaqlw>

Do you ever feel like a plastic .....  
 Drifting through the ....., wanting to start again?  
 Do you ever feel, feel so paper .....  
 Like a house of cards, one blow from caving in?

Do you ever feel ..... buried deep?  
 Six feet under screams but no one seems to ..... a  
 thing  
 Do you know that there's still a chance for you  
 'Cause there's a spark in you?

You just gotta ignite the light and let it .....  
 Just own the night like the 4th of July

'Cause baby, you're a firework  
 Come on, show 'em what you're worth  
 Make 'em go, oh  
 As you shoot across the .....

Baby, you're a firework  
 Come on, let your colors burst  
 Make 'em go, oh  
 You're gonna leave 'em ..... down

You don't have to ..... a waste of space  
 You're original, cannot be replaced  
 If you only knew what the ..... holds  
 After a hurricane comes a rainbow

Maybe you're reason why all the ..... are closed  
 So you could open one that leads you to the perfect road  
 Like a lightning bolt, your ..... will blow  
 And when it's time, you'll know

You just gotta ignite the light and let it .....  
 Just own the night like the 4th of July

'Cause baby you're a firework  
 Come on, show 'em what you're worth  
 Make 'em go, oh  
 As you shoot across the .....

Baby, you're a firework  
 Come on, let your colors burst  
 Make 'em go, oh  
 You're gonna leave 'em ..... down

Boom, boom, boom  
 Even brighter than the moon, moon, moon

It's always been inside of you, you, you  
 And now it's time to let it through

- 1) Listen to the song and write how the song makes you feel.

.....  
 .....  
 .....

Monday, July 4th is **Independence Day** in the United States. Also known as the Fourth of July, this date commemorates the **Declaration of Independence** from Great Britain. This is a festive day for many Americans as they celebrate with fireworks, parades, fairs, concerts, picnics and family reunions. It's a fun and proud day for Americans so get your students talking about the history, the culture, and the traditions of the United States! >>>
